The logo for Ludotek features the word "LUDOTEK" in a stylized, colorful font. The letters are outlined and filled with different colors: 'L' is red, 'U' is green, 'D' is yellow, 'O' is blue, and 'TEK' is black. The letters have a slight 3D effect with shadows.

Ludotek, a well-established childrens' charity based at Triangle House on Pulford Road, N15 are looking to recruit members to its management committee

If you don't know about Ludotek, you're missing out on a fantastic play session and toy library (with really great toys) every Saturday and Monday, a Messy Play session on Tuesdays, AND an older kids club every second Saturday in the month too.

As a Committee member, your only commitment would be to attend a 2-hour monthly management meeting on a Saturday afternoon and chip in, though your responsibilities might, from time to time, mean another 2-3 hours possible time a month doing whatever you felt you could meaningfully contribute.

If you'd like more information, are curious or even if you just want to know more about Ludotek's events, just email ludotek@hotmail.co.uk

REWARD: FEELING GOOD AND MAKING
